Waianae
Wahiawa
Windward Oahu
Hilo
Kona

Academic & Career Transition Program

The transition program is taught through a collaborative and supportive model, which includes advising, tutoring, and personalized instruction.

Students gain skills that prepare them for success in college and careers.

Transition Today with WCSA!

### Types of Training
- Applied mathematics
- Reading for information
- Locating information
- Writing for the workplace
- Job search and interviewing skills
- Resume and cover letter writing
- Work related soft skills (active listening, conflict resolution, situational judgment, etc)
- College readiness

### Registration Requirements
- A high school diploma or equivalent recognized by the US Dept. of Education
- TABE pre-test scores of 7th grade or higher
- Interest in attending college and/or work training programs, getting a job, or career advancement

**Students who are interested in attending college, gaining workplace skills, improving their reading and math skills, or are looking for a job/career are encouraged to register.**

### Q&A

**Q:** How much does it cost?
**A:** A $20.00 program fee is required upon registration.

**Q:** How long does it take to complete the program?
**A:** Program completion depends on the individual. The course will run for one semester, however, some students may finish early and some may need extra time to complete the program.

**Q:** When and where will classes be held?
**A:** Classes will vary across WCSA campuses. Students are encouraged to check with their local adult school campus for program schedules.

**Q:** What is the NWRC?
**A:** The NWRC (National Work Readiness Credential) certifies workplace and soft skills and is a predictor of workplace success. It is nationally recognized as an effective strategy for certifying workplace skills.
