March 18, 2020

Aloha Students, Parents and Partners,

To protect the safety and well-being of all students and to help minimize the spread of the Corona Virus (COVID-19), effective Thursday, March 19, all campuses and sites of the Waipahu Community School for Adults will be closed. The school is anticipating to reopen to students on April 7, should State guidelines permit us to. Should you contact our office for assistance, we will respond to you shortly after the school reopens, tentatively set for April 7. Please refer to Hawaii DOE’s website at hawaiipublicschools.org for updates and latest news. Thank you for your flexibility and cooperation.

Sincerely,

Pat Anbe, Principal Waipahu Community School for Adults
